Disciplinary Actions

Disciplinary action will be taken if any infraction of the Code of Conduct is committed. In all instances, the boy or boys involved will be given a chance to explain what happened in the event of extenuating circumstances. If these actions were justified, the infraction will be dismissed. *In general, our philosophy is to never give up on mentoring boys and trying to help them, unless they absolutely do not want to abide by the Code of Conduct and be part of Royal Rangers.*

Infractions are classified as:

1. **Minor Infraction** (*Example: Boys being boys...arguments between boys that does not include fighting, misuse of personal items or equipment, etc.*)

This will be the most common instance. When an infraction occurs, the boy or boys involved will be spoken to and, if necessary, any objects being improperly used will be confiscated until the end of the meeting, event, or outing. There will be no further ramifications and no record of the infraction will be kept.

2. **Major Infraction** (*Examples: Deliberate disregard for rules, obstinate behavior, fighting with other boys, etc.*)

- *First Instance* – The boy will be spoken to, and the improper behavior discussed. A record *will be* kept of the occurrence.
- *Second Instance* – The parents or guardians *will be* notified and told of the situation. A one meeting suspension may result, if agreed upon by the Commanders and the parents or guardians.
- *Third Instance* – ***Dismissal from Royal Ranger.*** This could be for a period of time so that help can be sought by the parents or guardians to deal with whatever issues are causing this bad behavior, or permanent, if needed. Re-entry into Royal Rangers will require Pastoral Approval and a written letter of apology from the offending boy.

3. **Extremely Serious Infraction** (*Examples: Reckless or dangerous behavior, assaults that will require notification of the authorities.*)

- ***Dismissal from Royal Rangers and, if applicable, notification of the authorities!*** Infractions of a serious nature will require extensive intervention from parents or guardians. If at all advisable, returning to Royal Rangers will require any court ordered counselling or therapy, Pastoral Approval, and a written letter of apology from the offending boy. Any offended party has the right to appeal approval, meet with the Pastoral staff to convey any misgivings about the return of the offending individual, and try to work out a compromise. The courts and/or Pastoral Staff will be the final authority.
